

## FOREST HILLS BASKETBALL LEAGUE 2025 SEASON - BASKETBALL BASICS CLINIC

---

Our **Basketball Basics** program teaches children ages 5 and 6 the basic skills and understanding needed to play and enjoy the game. Our instructors are experienced and they bring to each session the creativity needed to make it fun and informative. The schedule consists of 14 Saturday sessions lasting approx. 50 minutes each. Our program will be held in 'B' gym of Halsey Junior High School located on 64 Ave in Rego Park between 102 St and Yellowstone Blvd. To enter the school just look for the blue door next to the school playground which leads directly down into the gyms, walk through the first gym and continue into the second gym.

### **Our schedule for Basketball Basics 2025 season is:**

November 1, 8, 15, 22  
December 6, 13, 20  
January 3, 10, 17, 24, 31  
February 7, 14

Registration is done through Team Snap via our website: [www.fhyaa.com](http://www.fhyaa.com).

All children will be provided with a T -shirt that must be worn at each session. These T shirts let us know that your child is properly registered with our league and also lets the instructors know that your child is in the right group since the shirts are **color specific** to each hour. Parents who request that their child be reassigned to a different time slot from the one they were originally assigned to, must order and pay for the T shirt of that new group before the child will be allowed to switch. Parents must provide their child with basketball shorts (shorts without pockets) and basketball sneakers (no tennis sneakers, no shoes, no sandals, no cleats). We will provide every player with a basketball at the start of the season. Our basketball hoops are adjustable to different heights to accommodate the young age of these children.

Only registered players can participate in the league. A player's friends will not be allowed to 'drop in' for that day.

If you have a younger child that you will be bringing to the gymnasium, please be sure to keep an eye on him/her for their own safety and bring something for them to do while your older child is participating. Younger children must stay off the court for their own protection.
